SIGNPRO SYSTEMS INTRODUCES NEW PRODUCT- POSTER SNAPPER HANGING RAIL

Bolingbrook, IL –September 15, 2011: SignPro Systems, a wayfinding and architectural signage division of the Orbus Exhibit & Display Group, is proud to introduce a new signage solution, the Poster Snapper Hanging Rail.

This clean and simple poster hanging solution offers adjustable hanging clips that slide along the top rail to match desired spacing. The hanging clips feature both top opening for clear nylon line mount, and recessed pocket for S-hook suspension.

The Poster Snapper has four standard lengths; 24”, 30”, 36” and 48” with custom lengths available up to 60”. The aluminum rails snap open and shut for quick graphic changes.

“We are always striving to develop and to offer new, innovative products to our clients,” said Julien Aiglon, SignPro Division Manager. *“This new, low cost solution will add a sharp-looking practical and economical signage option to our extensive line of products.”*
